Participants should not infer from any references to the authority using a process or tender documents which are similar to one of the mandatory procedures that the authority is following one of those procedures. The authority is following its own tender process akin to the open procedure for this procurement. The authority reserves the right to award the contract in whole or part, to cancel or amend the tender process, not award the contract in whole or part, and does not bind itself to accept any tender. The authority reserves the right to make any changes it sees fit to the content and structure of the procurement competition and shall not be liable in any circumstances for any costs, or expenses incurred by any economic organisation in responding to this notice or in tendering for the contract. The contract is for an initial term of 1 year (1.10.23 – 30.9.24) with the option to extend for a further two 1-year periods until 30.9.26. Under this procurement, the contractor will be required to support the Public Services (Social Value) Act 2012. The contract mainly reflects services currently being provided by existing organisations, and therefore the EC Acquired Rights Directive 2001/23/EC as amended and/or the transfer of undertakings (protection of employment) Regulations 2006 (TUPE) may apply to this contract. TUPE information will be made available to those organisations who complete and return a signed data processing and confidentiality agreement, we request these are submitted at the earliest opportunity through a correspondence on the Intend procurement portal. contracting authority.
