II.1.4) Short description

Liverpool is to have a high quality, all-age, modern, integrated, recovery orientated treatment and recovery service that will be based on the following principles and values (not limited to);

- It will be easily accessible, and support people with a substance misuse need (the term 'substance misuse' is used within national guidance and will encompass drug and/or alcohol use).
- It will be prevention focused and wellbeing centered, whilst increasing the emphasis on the full treatment package, rather than just the pharmacological or psychosocial aspects.
- It will be clinically safe and underpinned by robust, proactive clinical leadership
- It will respond positively to the cultural, religious, ethnic, language, gender, disability and age-related needs of an individual.
- It will provide a 'gendered' approach to delivery where appropriate, including consideration of the different needs of women.
- It will be inclusive of the voices of people using the service and the voice of affected children, families and carers and to safeguard children.
- In line with the national strategic outcomes, our ambitions will include (not limited to);

- Improving the capacity, efficiency and quality of service delivery
- Increasing the numbers accessing treatment
- Reducing overall drug use, drug related crime, drug and alcohol related harms and deaths.
