## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Building Management System Maintenance

#### **II.1.2) Main CPV code**

- 50000000 - Repair and maintenance services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

ABUHB is seeking a maintenance provider to provide a maintenance service for its Building Management Systems (BMS). The maintenance provider shall provide adequate, competent technical resource to service and support the installed systems to ensure that best performance from each BMS is maintained. It is also a requirement for the successful bidder to advise on the lifecycle planning of the systems and to provide a potential roadmap for replacing the current system which has technology that will be supported for up to another 6 years. There will be both a planned preventative maintenance element and a reactive, repair element to this contract.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £556,709.35

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 45259000 - Repair and maintenance of plant
- 45259300 - Heating-plant repair and maintenance work
- 50000000 - Repair and maintenance services
- 50312300 - Maintenance and repair of data network equipment

- 50324100 - System maintenance services
- 50324200 - Preventive maintenance services
- 50530000 - Repair and maintenance services of machinery
- 50531100 - Repair and maintenance services of boilers
- 50532300 - Repair and maintenance services of generators
- 50710000 - Repair and maintenance services of electrical and mechanical building installations

### **II.2.3) Place of performance**

NUTS codes

- UKL16 - Gwent Valleys

Main site or place of performance

Newport, Torfaen, Monmouthshire, Caerphilly, Blaenau Gwent.

### **II.2.4) Description of the procurement**

ABUHB is seeking a maintenance provider to provide both a planned preventative and a reactive maintenance service for its Building Management System (BMS).

The provider must prove to be conversant with the products currently installed, employ competent technicians in order to carry out essential control system maintenance and have the ability to support the technical IT protocol and computer systems and various software utilised across the BMS installations.

The systems installed are generally proprietary products that include Honeywell, Trend, Satchwell and Schneider manufactured systems, therefore bidders are required to be conversant with these systems. A Tridium Niagara 4.8 system is currently installed at the Grange University Hospital and bidders are expected to be conversant with that also, which is expected to come into contract from March 2022.

The maintenance requirements of the BMS should ensure that the installed systems provide efficient plant control and monitoring. Consideration should be taken to prioritise the service provided at each location to ensure maximum uptime of each BMS (specific sites, areas and uptime are to be agreed with ABUHB under a tiered system).

The maintenance provider shall provide adequate competent technical resource to service and support the installed systems to ensure that best performance from each BMS is maintained.

It is also a requirement for the successful bidder to advise on the lifecycle planning of the systems and to provide a potential roadmap for replacing the current system which has technology that will be supported for up to another 6 years.

#### **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 60

Price - Weighting: 40

#### **II.2.11) Information about options**

Options: No

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Open procedure

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

### **IV.2) Administrative information**

#### **IV.2.1) Previous publication concerning this procedure**

Notice number: [2021/S 000-006800](#)

---

## **Section V. Award of contract**

### **Contract No**

ABU-OJEU-46854

A contract/lot is awarded: Yes

### **V.2) Award of contract**

#### **V.2.1) Date of conclusion of the contract**

30 June 2021

#### **V.2.2) Information about tenders**

Number of tenders received: 7

Number of tenders received from SMEs: 7

Number of tenders received from tenderers from other EU Member States: 7

Number of tenders received from tenderers from non-EU Member States: 0

Number of tenders received by electronic means: 7

The contract has been awarded to a group of economic operators: No

#### **V.2.3) Name and address of the contractor**

Honeywell

Honeywell House, Skimped Hill Lane

Bracknell

RG121EB

Telephone
