## **Section II: Object**

### II.1) Scope of the procurement

#### II.1.1) Title

Automated Ticket Gate (ATG) for GWR Procurement Tender

#### II.1.2) Main CPV code

• 60000000 - Transport services (excl. Waste transport)

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

GWR is seeking partners to supply, install and commission, and maintain Automated Ticket Gates (ATGs) at various stations on GWR's network.

#### II.1.6) Information about lots

This contract is divided into lots: No

#### II.2) Description

#### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

#### II.2.4) Description of the procurement

GWR is seeking partners to supply, install and commission, and maintain Automated Ticket Gates (ATGs) at various stations on GWR's network. The ATGs will provide GWR a solution capability to validate and revenue protect all currently accepted ticket media on National Rail (cEMV, ITSO, Barcode and Mag strip) ensuring all business rules apply to all media in a consistent manner. Offering a robust solution, the ATGs will provide a seamless solution with high level of availability and minimal support involvement from GWR.

The solution will offer GWR with capability to manage the ATGs locally as well as remotely.

Page 4 to 6

The supplier will provide GWR with reporting on all aspects of the performance of the ATGs once installed and commissioned including, the acceptance, rejections, operational status and outages.

This is a Framework Agreement for up to a maximum of 225 walkways spread across various stations on GWR's geography.

The contract term will end on 31/3/2029. Up to 10 ATGs will be required to be installed and operational by 30/05/2025.

Duration of contract: 60 months (5 Yrs)

#### II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

**Duration in months** 

60

This contract is subject to renewal

No

#### II.2.10) Information about variants

Variants will be accepted: No

#### II.2.11) Information about options

Options: No
