Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

This award without prior publication is a modification to extend Lot 1 Domestic Electrical Equipment on this Framework for a further 4 month period to 31 January 2024. This modification falls within regulation 72e in that it meets the following criteria;

(e) where the modifications, irrespective of their value, are not substantial within the meaning of paragraph (8);

The modification is for a short 4 month extension only and does not alter the overall nature of the framework. It is not materially different in character from the initial framework as concluded. There is no increase to the original value as published in the contract notice and there is sufficient spend remaining to allow this extension. The extension will commence on 01 October 2023 and expires on 31 January 2024.

IV.1.3) Information about a framework agreement

The procurement involves the establishment of a framework agreement
