The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

The British Business Bank (“BBB”) is 100% Government owned, but independently managed. It brings expertise and Government money to the smaller business finance markets. BBB does not lend or invest directly, instead it works with over 130 partners such as banks, leasing companies, venture capital funds and web-based platforms. Businesses apply for finance through its partners who can lend and invest more, especially to younger and faster growing companies.

BBB's mission is to help drive sustainable growth and prosperity across the UK, and to enable the transition to a net zero economy, by improving access to finance for smaller businesses. BBB helps smaller businesses looking to grow and access the finance they need to succeed whatever the stage of their development. BBB increases the range of funding choices available to smaller businesses across the UK. BBB is the centre of expertise on smaller business finance in the UK, providing advice and support to the Government and equipping smaller businesses with independent and impartial information on their finance options. BBB is putting in place funds and programmes to support both supply of and demand for finance across the UK's regions.

The Start-Up Loans Company (the Authority) is a wholly owned subsidiary of BBB and its purpose is to make business ownership a viable career for individuals who struggle to raise finance, by providing Loans and support to help these individuals with new or early stage businesses.

The Authority are purchasing the Business Support Partner services on behalf of:

(a) itself;

(b) British Business Bank Plc and any members of its group (within the meaning of the Companies Act 2006)

(c) Department of Business, Energy and Industrial Strategy, and any entity owned or controlled by it.

The Authority will hold a virtual Supplier ITT Launch Event (the “Event”) on [DATE], for the purposes of presenting the opportunity to potential Tenderers. Potential Tenderers are permitted to register up to three email addresses to use to attend the Event. Please see the procurement documents for further information and how to register.

Prior to releasing the procurement documents, potential Tenderers are required to register on the delta e-sourcing platform and complete and submit a Confidentiality Agreement.
