Description

Ebbsfleet Development Corporation (EDC) was established in 2015 to speed up the delivery of up to 15,000 homes and create a 21st-century Garden City in Ebbsfleet, North Kent. As planning authority for the Urban Regeneration Area, as well as landowner for a number of key sites across Ebbsfleet and surrounding communities, a key ambition for the regeneration of the area requires the Corporation to deliver Ebbsfleet Central, the civic and commercial heart of the Garden City scheme, set around Ebbsfleet International Train Station.

As part of this development project, the Corporation is seeking to procure contractor(s) to complete the infrastructure works for the first phase of the Ebbsfleet Central masterplan.

The scope will include reconfiguration and creation of highways, utilities works, a large multi-storey car park, podium structure to connect to the unfinished bridge over the high speed railway line, station forecourt works, and landscaping over a site of c.25 acres.

The works are proposed to be split between 3 contract opportunities (1. Highways & Utilities; 2. Buildings & Structures; and 3. Landscaping). However, EDC are not ruling out contractors tendering for and being appointed on more than one contract opportunity. EDC reserves the right to amalgamate contracts where one contractor is successful for more than one contract opportunity.

Engagement

Engagement deadline

16 June 2025

Engagement process description

This is a Preliminary Market Engagement Notice to build capacity among suppliers through awareness raising of the opportunity. Interested suppliers can request details of the opportunity by emailing procurement@ebbsfleetdc.org.uk.

To enhance market understanding, a Market Engagement webinar is being planned for 3rd June 2025 (date to be confirmed). To register attendance at the market engagement webinar please email procurement@ebbsfleetdc.org.uk with details of up to three attendees from your organisation. Details provided should include Name of Organisation, together with the Name, position and email address of up to 3 attendees. Requests to attend the Market Engagement webinar should be received by 23:59 on 23rd May 2025. It

is anticipated that invites to the Market Engagement webinar will be issued on 29th May 2025.

Suppliers are requested to confirm their interest in the opportunity by 23:59 on 16th June 2025 by returning the declaration included in the Early Market Engagement information pack.

Suppliers should note that any interest shown at this stage does not constitute a commitment to participate in any future tendering exercise.
