It is important to note that this PIN/RFI is not a call for competition and as such potential providers will need to express an interest in any future tender opportunity once a contract notice is published in Find a Tender (FTS) and on Contracts Finder.

It should be noted that this PIN/RFI invites individuals and organisations to express an interest in this RFI exercise only, and it is NOT a pre-qualification questionnaire, and is NOT part of any pre-qualification or selection process. This PIN/RFI is intended as an awareness, communication, and information gathering exercise. An expression of interest is no indication of a commitment to participate in the RFI process nor does it infer any preferential or special status on those individuals and organisations who express an interest in the RFI exercise.

NECS is utilising an electronic tendering portal (In-Tend) to manage this RFI and as such interested individuals and organisations will need to register on the portal to access and return the RFI documentation.

It is free to register on the portal, which can be accessed at any time of day.

Should you have any queries, or are having problems registering on the portal, you should contact the eTendering provider by Email: support@in-tend.com or by phone 0844 2728810 Website: <https://in-tendhost.co.uk/nhsnecsu/aspx/Home>
