Torbay Council are looking for a range of providers to provide temporary accommodation services, which will form part of a range of measures in Torbay aimed at ensuring our citizens

have access to safe, quality temporary and long-term accommodation that meets their needs.

The types of Accommodation we are looking for include:

- Single bedroom shared facilities – rooms in a shared house; house of multiple occupation

(HMO).

- Single bedroom self-contained – exclusive use of accommodation with its own access and

no shared facilities.

- Single bedroom self-contained (adapted) - ground floor accommodation which is adapted

for a wheelchair user.

- Single bedroom self-contained (High Risk) - can accommodate people with complex and multiple needs.
- 2-5 Bedroom units of accommodation with its own access and no shared facilities.

In order to achieve our goals for the delivery of Temporary Accommodation in Torbay, this opportunity will be structured as a Framework Agreement. Providers can be appointed to any of the following Lots:

- Accommodation and housing management (Lot 1)
- Accommodation only (Lot 2)

Ideally, we are looking for providers who can supply both the accommodation and housing management (Lot 1), but we are also keen to work with providers who are only able to meet

the accommodation requirements (Lot 2) to ensure we have access to sufficient quality

secure accommodation to meet the needs of Torbay Citizens. The Council will award

Contracts with suitable providers from Lot 1 and Lot 2 to meet our requirements for

sufficiency. These Contracts will guarantee the placements and income from the Council.

Providers have the option of bidding to be appointed to the Framework on any number of the

specified Lots. There will be no minimum unit of accommodation requirement and providers

will be invited to put forward submissions for any number of units of accommodation from

any of the Lots available on the Framework. Bidders must be the owner, leaseholder or

managing agent of the properties put forward. Providers will ensure that properties meet the

quality standards as set out in the service specification. This will include standards relating

to:

Torbay Council are keen to work in partnership with all providers appointed to the Framework, with providers having access to a named contact within the Housing Options Team and a contract manager. The Council will be responsible for issuing licence agreements
