4. The Council and OneRen's current Contract for Banking Services with Clydesdale Bank Plc is due to expiry on the 28th February 2025, for continuity of Service, the Council and OneRen agreed a short term Contract with Clydesdale Bank Plc to allow for implementation of a new banking service if there is a change of Service Provider following evaluation. It is therefore critical that the new banking service is live by the 28th February 2025. It is envisaged that if the incumbent Service Provider is appointed, the implementation will be limited.

5. A potential cost of change is anticipated where the Banking Services move to a new Service Provider. In order to identify this cost of change to the Council and OneRen and part of the Tender Submission (Implementation) will be used to identify the potential cost to the Council and OneRen arising from such a change. The Council has also identified the potential Cost to Change elements which include replacement cheque stock, replacement stationery and consultancy cost in relation to integration with the Council financial system Business World. The Council will clarify with the Tenderer the individual cost of change which would be in addition, the total cost of change will be added to the total cost for each Tender Submission provided by Tenderers who are not the incumbent Service Provider.

6. For your information: The Council has sought professional guidance from a consultant in the drafting of the specification, quality questions and pricing. This will make the Specification clearer to the market and produced in a format that is more familiar to the Banks
