Section IV. Procedure

IV.1) Description

IV.1.1) Form of procedure

Award procedure without prior publication of a concession notice in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

Prior to the modification the concession was a 10 year contract for service delivery by the concessionaire at the leisure centres identified at II.2.4 from 1st August 2012. The contract includes wide modification provisions including specifically the opportunity for a 5 year extension together with modification to the terms or scope of the contract.

The following terms are outside the modification terms in the contract:

A break provision at year 2 on 12 months notice by either party

A rebasing of the base cost for utilities from the annual base cost and cost set out in the contract which is the actual cost of base usage for the financial year 2012/13 to the annual base cost for each utility shall be for the period 1st August 2022 to 31st July 2023 of the base usage for that 12 month period for each utility.

A payment to the concessionaire which is part of the overall payment to reflect their revenue gap whereas without this the overall revenue payment to them would have significantly decreased

The completion of negotiations outside the timetable for agreeing these set out in the contract which provides for the negotiations to be completed by 31st March 2021.

All of the above terms are considered to be outside the modification provisions of the contract.

The changes to the modification provisions are necessary because of the Worldwide Sars (COVID) pandemic together with a significant recent increase in energy prices, neither of which the contracting authority could have foreseen as provided for in article 43 of the directive. The VAT inclusive and VAT exclusive figures are identical because of the VAT status of the concessionaire and agreed commercial terms.

This contract award is conditional on further authority of Shropshire Council being obtained during week commencing 25 July 2022.
