## **Section I: Contracting authority**

### I.1) Name and addresses

**Greater Manchester Combined Authority** 

Greater Manchester Fire and Rescue Service Headquarters, 146 Bolton Road, Swinton

Salford

M27 8US

#### **Contact**

Mr Adeolu Gidado

#### **Email**

adeolu.gidado@manchesterfire.gov.uk

#### **Telephone**

+44 7580698637

#### Country

**United Kingdom** 

#### **NUTS** code

UK - United Kingdom

### Internet address(es)

Main address

https://www.greatermanchester-ca.gov.uk

Buyer's address

http://www.manchesterfire.gov.uk/

## I.3) Communication

Additional information can be obtained from the above-mentioned address

## I.4) Type of the contracting authority

Regional or local authority

# I.5) Main activity

General public services

## **Section II: Object**

### II.1) Scope of the procurement

#### II.1.1) Title

Go Neutral Smart Energy Framework

Reference number

DN562301

#### II.1.2) Main CPV code

• 71314200 - Energy-management services

#### II.1.3) Type of contract

Services

#### II.1.4) Short description

Go Neutral is a GMCA-led programme to decarbonise our region and deliver social value, community wealth-building and inclusive growth.

Its overarching priorities are growth, affordability, and impact. This will lead us to:

- Take control of how we generate, use, and trade our energy locally to create a resilient and connected energy system.
- Create greener, healthier, and more affordable lifestyles.
- Create investment opportunities that will support new jobs and skills on our pathway to carbon neutral.

The Go Neutral Smart Energy framework will identify, develop, and deliver a pipeline of smart energy opportunities via a range of investment and delivery models. The framework will be formed around seven lots. The lots will be defined by the smart energy technologies that our public sector partners might want to deploy on their buildings, car parks and land assets:

- 1. Building integrated solar PV and battery storage
- 2. Solar car ports and battery storage

- 3. Standalone grid connected battery storage
- 4. Ground mounted solar PV and battery storage (grid connected and private wire)
- 5. Wind turbines and battery storage (grid connected)
- 6. EV charging hubs and forecourts
- 7. Integrated smart energy solutions

The framework as a minimum will be for Greater Manchester and the North West.

#### II.1.5) Estimated total value

Value excluding VAT: £300,000,000

#### II.1.6) Information about lots

This contract is divided into lots: Yes

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

- 1. Building integrated solar PV and battery storage
- 2. Solar car ports and battery storage
- 3. Standalone grid connected battery storage
- 4. Ground mounted solar PV and battery storage (grid connected and private wire)
- 5. Wind turbines and battery storage (grid connected)
- 6. EV charging hubs and forecourts
- 7. Integrated smart energy solutions

### II.2) Description

#### II.2.1) Title

Lot No

1-7

#### II.2.2) Additional CPV code(s)

- 09331200 Solar photovoltaic modules
- 31000000 Electrical machinery, apparatus, equipment and consumables; lighting
- 31100000 Electric motors, generators and transformers
- 38551000 Energy meters
- 65400000 Other sources of energy supplies and distribution
- 71314300 Energy-efficiency consultancy services

#### II.2.3) Place of performance

**NUTS** codes

• UK - United Kingdom

#### II.2.4) Description of the procurement

The GM Smart Energy call-off framework will be formed around seven lots. The lots will be defined by the smart energy technologies that GMCA partners might want to deploy on their buildings, car parks and land assets. Under each lot, partners should have the flexibility to progress schemes under one of three investment options: GMCA partner invest, shared ownership, third party invest.

#### II.2.6) Estimated value

Value excluding VAT: £300,000,000

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

This contract is subject to renewal

Yes

Description of renewals

Renewal based on satisfactory performance

### II.3) Estimated date of publication of contract notice

15 October 2021

# **Section IV. Procedure**

# **IV.1) Description**

# IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No
