VII.2) Other additional information

The original contract notice stated a value for the initial period of £1m (up till March 2025). This has now been corrected to show the full potential value when the extension option is included-

The WMCA will be incorporating an extension option into the contract of up to a further 12 months (1 year) and up to an additional value of £1,000,000, subject to funding availability and mutual agreement between the WMCA and Provider. This means a total potential contract value of £2,000,000 over a 19-month period.
