II.2.4) Description of the procurement

The Council estimate we will require support for up to 114 school establishments (that provide education to approximately 39,703 learners) that will utilise a Learning Experience Journey System.

The system will be used by educators throughout our schools.

The system will also be used outside of school by parents/carers of learners and the learners themselves.

A system that can be accessed through apps and/or through an internet browser is essential.

It will be an on-going requirement with an anticipated contract lifetime period of 5 years, that is an initial 4 years, with a +1 year extension option.

The system/tool solution would be used in nurseries and primary/special schools to document and support assessment of children's learning and development. It serves as a means of communication and collaboration between parents, educators, and the child, providing a comprehensive record of the child's progress and achievements.
