Kerbside Waste Composition Analysis

Kent County Council

UK7: Contract details notice - Procurement Act 2023 - [view information about notice types](#)

Notice identifier: 2025/S 000-019742

Procurement identifier (OCID): ocds-h6vhtk-050ed5

Published 8 May 2025, 2:03pm

Scope

Description

Research partner to analyse the composition of our residual and food waste collections across Kent and also monitor participation in waste services in June 2025 and late January 2026.

This data will help inform our programme of behaviour change work and communications. A statistically representative response for Kent is required with reporting for each of the districts as there is significant variation in service provisions and demographics across the 12 waste collection authorities.
