NUTS codes

- UKC23 - Sunderland

Main site or place of performance

Within the boundaries of Sunderland, Houghton, Hetton and Washington - Tyne & Wear

II.2.4) Description of the procurement

Gentoo Group are seeking to procure at least 2 Principal Contractors to deliver its internal refurbishment programme for the next 10 years.

The programme will consist of, but will not be limited to, the following works:

- Kitchen replacements;
- Bathroom replacements;
- Electrical rewires;

- Environmental improvements; and
- Various other internal upgrades

This opportunity is the largest procurement undertaken by Gentoo in terms of value. It will form part of the "Gentoogether" partnership, which is intended to increase the partnering ethos between Gentoo and its own supply chain, but also to encourage those appointed to the Partnership to collaborate with one another.

It is anticipated that over the course of the 10 year programme, approximately 15,000 properties will receive internal refurbishment works - this equates to 50% of Gentoo Group's housing stock. Therefore, this programme is of crucial importance to the Group to ensure it delivers its aims.

The Tender is due to be issued by the end of August/early September, with awards to be made prior to Christmas 2024 and a proposed start on site date of April 2025.

A pre-market engagement event is due to be held prior to issue of the Tender to allow potential Bidders an opportunity to discover more about the programme and ask any queries prior to Tender release. This Event is scheduled for the 30 July 2024: 14:00 - 15:00

Should you wish to attend, please click this link and register:
