Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

The Council has a requirement to upgrade its current financial software. The existing Oracle platform was initially implemented in 1994 and is used to manage business critical functions. Upgrading the current system will protect and future proof business critical functions. There is an absence of competition in the market; Oracle is the sole producer of the Oracle software.
