II.1.1) Title

Refurbishment and Modernisation Framework Agreement

Reference number

RM3

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

This opportunity has been listed on behalf of LHC Procurement Group (LHC) and our regional entities:

Consortium Procurement Construction (CPC)

LHC London and South East (LSE)

Scottish Procurement Alliance (SPA)

South-West Procurement Alliance (SWPA)

Welsh Procurement Alliance (WPA)

LHC Procurement Group is seeking suitable organisations for our Refurbishment and Modernisation Framework (RM3). This new Framework will replace our successful Whole House Framework (WH2).

The Refurbishment and Modernisation Framework will provide our clients with access to a range of refurbishment, improvement and modernisation services to maintain their buildings and surrounding external areas.

The framework builds on the scope of LHCs' Whole House Framework and extends the scope to allow for works to be carried out in both residential and non-residential buildings.

This Framework consists of the following workstreams:

- Kitchens & Bathrooms with Associated Works
- Electrical Works
- Painting & Decorating
- Environmental & External Works
- Multi-Disciplinary Works

To encourage SMEs and regional bidders most workstreams are further split into project value band lots and each lot is also broken down into multiple regional areas allowing bidders to apply for the regional areas they commonly operate in.

In addition to encourage a good representation of SME and larger organisations on both the kitchen and bathroom and multi-disciplinary workstreams, bidders will only be able to apply for 2 of the 3 lots available under each of these workstreams. No restrictions are applied to the remaining workstreams. Refer to the ITT documentation for further guidance.
