Works

#### **II.1.4) Short description**

Please note that this is a voluntary notice. Additional information on the University of Warwick's status is included in Section V1. The University of Warwick has a requirement for a contractor to provide a turnkey solution to include the design, supply, delivery and installation of a new structure in the piazza area in the centre of main campus to cover the existing amphitheatre outside of the Students Union. It is envisaged that this structure would comprise a metallic frame with a number of independent fabric sails and create an attractive, architectural feature in this prime location on campus. Please refer to <http://in-tendhost.co.uk/universityofwarwick> for further information. You will be able to download the full tender documents from this site. Any queries in relation to this requirement should be directed to the University of Warwick via the correspondence functionality of the In-tend system. Failure to do so may result in queries being excluded from the procedure

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**
