List and brief description of conditions

The Contractor must be registered with the Care Inspectorate and adhere to the requirements set out in the Scottish Government's Health and Social Care Standards Scotland.

All on-site Contractor Personnel are required to be qualified to SVQ Level 3 standard or equivalent as a minimum, or are in the process of completing their qualification, as per Scottish Social Services Council guidance.

III.1.2) Economic and financial standing

List and brief description of selection criteria

The Scottish Parliamentary Corporate Body (SPCB) uses Creditsafe, an independent provider of online business credit reports, to assess the financial standing of tenderers. Tenderers are encouraged to review their financial performance on Creditsafe and read information about how that data is collected and used prior to submitting a tender. Information and the opportunity to run a free report can be found at <http://www.creditsafe.com/products/business-credit-reports/> If a tenderer does not agree with the credit rating it has been given it can provide supporting evidence to demonstrate its current position and this will be taken into account when the financial standing is being assessed.

If a tenderer is not listed on Creditsafe, for whatever reason, then it may be asked to submit equivalent accounts to enable the required assessment of financial standing to be carried out.

Tenderers should have a Creditsafe credit rating of 30 or higher to demonstrate satisfactory financial standing. If a tenderer has a lower credit rating score and has the backing of a parent company with a credit rating of 30 or higher the provision of a Parent Company Guarantee prior to the award of any contract will be acceptable. If a tenderer has a lower credit rating score and no evidence to support

a stable or improved financial standing then the tender may be rejected.

Estimated timing for further notices to be published: New procurement process will commence in 2028.

VI.3) Additional information

In accordance with the SPD 4C.4, tenderers should evidence if they have effective payment systems in place to ensure reliability of their supply chains.

A site visit has been scheduled for the 3rd August to assess the on-site facility. Further information can be found within the tender documentation.

Tenderers will be assessed on whether it has paid its suppliers in accordance with the contractual terms that it applies to its supply chain, achieving at least 95% of valid invoices paid on time.

Where a tenderer does not pay at least 95% of valid invoices on time, an improvement plan must be provided to proceed.

If a bidder does not pay at least 95% of valid invoices on time and is unable to provide a proportionate and timely improvement plan, they will not be selected to participate any further in the competition.

Please note that there are minimum requirements concerning Cyber Security for this contract to which a pass/fail marking will attach.

Bidders will be required to complete an online Supplier Assurance Questionnaire using the Cyber Security Procurement Support Tool

(CSPST). A link to CSPST can be found here: <https://cyberassessment.gov.scot>.

The questionnaire will be aligned to a Cyber Risk Profile that has been established for the contract, based on the SPCB's assessment of

cyber risk.

For this contract, minimum requirements also include the holding of Cyber Essentials (or equivalent).

Further details can be found in the Tender Invitation Letter. A contract condition for this procurement requires the bidder to comply with

minimum security requirements.

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

The tenderer is required to provide community benefits as part of the delivery of the services. These include:

Key subcontracting opportunities available to SMEs, the Third Sector and supported businesses in the range of services required to meet the Contract requirements. The desired outcome would be that increased business in these sectors will help increase the SME economy and provide opportunities for recruitment from priority groups such as disabled and disadvantaged people.

The offer of work placements and experience for school, college and university students. The desired outcome is to provide support to young people in becoming successful learners, confident individuals, effective contributors and responsible citizens.

The opportunity to provide support to community initiatives. The desired outcome is to add value to the area and quality of life for those within the community.

Providing opportunities for individuals with disabilities and/or from disadvantaged backgrounds when suitable employment vacancies arise. For example, the Contractor will establish links with organisations aimed at assisting disabled/disadvantaged groups, to identify and create relevant employment opportunities through the Contract.
