II.2.4) Description of the procurement

Somerset Council (SC) seeks a consultant/contractor to support the “Uncovering Ham Hill’s past for its future” project during the project’s Heritage Fund supported Delivery Stage.

This specification sets out the requirements for an interpretation design consultant to

support the design, build and some installation works of the 'Uncovering Ham Hill's past for its future' project. Where specified we are looking for a full turnkey solution where the organisation selected will design, supply and install the products requested. Where it is considered that specialist installation is required this is identified within the specification and Somerset Council will use their own contractors for the installation element of the work.
