The Council undertakes to hold confidential any information provided in the proposal submitted, subject to the Council's obligations under the law including the Freedom of Information Act 2000. If the organisation considers that any of the information submitted in the proposal should not be disclosed because of its sensitivity then this should be stated with the reason for considering it sensitive. **VI.4.3) Review procedure**

Precise information on deadline(s) for review procedures

The Contracting Authority will incorporate a minimum 10 calendar day (when using electronic means) standstill period at the point information on the award of the Framework Agreement is communicated to tenderers. This period allows unsuccessful tenderers to challenge the decision to award a Framework Agreement before a Framework Agreement is executed/signed (as appropriate). The Public Contracts Regulations 2015 ('Regulations') provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly and within the time limits as defined in the above regulations. Where a Framework Agreement has not been entered into the court may order the setting aside of the award decision or order the contracting authority to amend any document and may award damages. If the Framework Agreement has been entered into the court has the options to award damages and/or to shorten or order the Framework Agreement ineffective.
