#### II.1.4) Short description

Looking beyond March 2022, WM5G will be evolving to support SMEs to adopt the productivity and other benefits of 5G, internet of things and data & AI use cases which it has pioneered. The adoption of these benefits has significant potential to help level-up the Midlands by addressing the productivity gap and creating new skilled jobs. With SMEs accounting for the majority of GVA in many sectors but struggling with a wide variety of technology adoption challenges - especially coming out of the pandemic - this has been recognised as a regional and national priority.

To support WM5G to deliver its SME Adoption programme we are running a procurement consisting of two lots:

- Lot 1: Provision of primary premises within the Coventry and Warwickshire LEP area and associated services
- Lot 2: Access to 5G core, RAN and associated services, such access to ideally be provided to the primary premises.
