II.1.4) Short description

The University is currently preparing to initiate a procurement process to award a contract for Expansion and Refurbishment works to its 29 Marylebone Road Building. The potential scale and scope of this project is such that it offers a significant opportunity to bidders. Prior to initiating the procurement, the University wishes to establish the level of market interest in participating in the procurement process and the technical and Professional Ability of candidates to deliver such a project. Any information gathered will be appraised as outlined in the questionnaire and will inform any possible subsequent procurement process. For the avoidance of doubt, this phase of the project will determine whether bidders in the market are suitable for this project.

Potential Bidders will need to register for free on the Proactis procurement portal (<https://procontract.due-north.com>), by completing a simple registration, Once registered bidders can use the search function under "find opportunities" .

Further information including the questionnaire can be downloaded via the <https://procontract.due-north.com> portal. The questionnaire must be completed and returned via the Portal message function no later than the 23rd August 2022. There are no other formal tender documents to be completed at this time other than the questionnaire.

The contract will be awarded by restricted procedure without further publication or a call for competition.

The date relating to the publication of the ITT is tentative and may be subject to change, but it is estimated that this will be October 22.
