Standstill period will occur for a period of 10 days.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The procurement falls outside the scope of application of the regulations

Explanation:

Modification to the Framework is required due to delays in the procurement process which could not have been anticipated and necessary to ensure ongoing service provision of Vehicle Maintenance and Repair of EA Vehicles in the Belfast Area.

The modification is permitted by Regulation 72(1)(c) of The Public Contracts Regulations 2015. Namely, the following conditions have been fulfilled:

(i) the need for modification has been brought about by circumstances which a diligent contracting authority could not have foreseen;

This modification is required due to delays in the procurement process which could not have been anticipated. This is due to the re-structuring of the specification and financial response as delays. The re-tender of this framework is anticipated to be published May 2025.

(ii) the modification does not alter the overall nature of the contract.

The proposed modification does not impact the overall nature of the framework which will continue for the Maintenance and Repair of EA vehicles in the East Tyrone Area as detailed in the original specification

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
