Our vision for children and young people with Special Educational Needs and Disabilities (SEND) is the same as for all children and young people – that they achieve well in their early years, at school and beyond; they find employment where that's appropriate; and lead happy, healthy and fulfilled lives which they have choices and control over the support provided to them.

The primary objective of this contract is to accelerate improvement in the quality and consistency of local area SEND service delivery for children, young people and their families; and reduce the current variation in local area performance as evaluated by the Ofsted/CQC inspection framework.
