II.1.4) Short description

The award of an opportunity for an Architectural Practice to implement the City of London School Masterplan Phases 2, 3 & 4 with an opportunity to introduce innovative and sustainable architectural solutions.

The second phase of the Masterplan is the new courtyard building, situated on the west side of the playground, providing space to allow reordering and improvement throughout the school.

The third phase explores a one storey extension to the fifth floor of the junior school building to provide three new labs, a technicians' break room, space for storage, trolleys, additional WCs, and space for computers or a project lab.

The fourth phase involves opening up and improving the circulation spaces, which will transform the way the school feels.

The completion of phases two and three will provide the necessary decant space to undertake the much needed follow-on projects which entail a number of internal refurbishment and rejig projects.
