### **II.2.4) Description of the procurement**

This requirement is broken into seven main work packages. The overarching aims for the work packages are:

- Service management – To provide and manage the resources and people provided within the tender and with the Employer manage risk and ensure the Service meets quality, time and cost parameters.
- Provide the consolidated delivery Service – To provide the Employer with a third party logistics Service for delivery of tenant's goods to customers from Billingsgate Fish Market to customers within the boundary of the M25 and, where agreed, wider. The Provider will supply a commercial charging mechanism for tenants and customers to move the Service to a commercial basis.
- Support the vehicle supplier in developing Fleet as a Service (FaaS) business proposition –

To support the Employer and the preferred vehicle supplier in developing the FaaS concept by supporting the identification of alternative vehicle use during the periods when the vehicles are not being used in the consolidated delivery service.

- Develop a dynamic delivery model and supporting software – To provide and/or develop a dynamic delivery model supported by an electronic platform to support and facilitate tenant placement of delivery requests and track customer deliveries. Capture from this the key performance indicator (KPIs) required to further develop the Service for Dagenham Dock markets.
- Utilise low and zero emissions vehicle types - with the preferred supplier, or a supplier of choice, provide low emission refrigerated and frozen vehicles for the Service and capture emissions reduction figures.
- Support further development of the sustainable logistics plan – To provide the Employer

with input and subject matter expertise in developing, improving and extending the service at Billingsgate and at a later date under reserved rights extend the service to additional markets.

- Provide a charging mechanism for customers and a plan to achieve commercial viability – To enable the provision of a consolidation service that achieves commercial viability in the long term for the Employer.
