Description

The University of Kent is seeking a supplier to produce engaging and conversion-focused copy for key undergraduate and postgraduate course pages for the University of Kent website. The University is looking for a specialist provider with experience writing course page copy for higher education. The supplier must understand how to take academic course information and translate this into clear and succinct content for key target audiences that make the University of Kent course offer stand out from its competitors. The University is currently undergoing a Website Transformation Project where new course page templates will be developed based on past analysis and best practice. The copy will need to fit into these new templates.
