## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

EGNI (M-SParc Phase 2) Construction Works

Reference number

BU722024

#### **II.1.2) Main CPV code**

- 45210000 - Building construction work

#### **II.1.3) Type of contract**

Works

#### **II.1.4) Short description**

Bangor University is currently finalising a business case to request funding from the North Wales Growth Deal to deliver Egni, a new low/zero carbon two-storey development on the M-SParc site in Gaerwen, Anglesey.

Egni will provide an estimated 1,000m<sup>2</sup> of new business incubation and research collaboration space (total building size of approximately 1,727m<sup>2</sup>) with complementary business development support. It will create additional offices, workshops and laboratories, training and circulation/reception space.

#### **II.1.5) Estimated total value**

Value excluding VAT: £6,729,000

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

#### **II.2.2) Additional CPV code(s)**

- 45000000 - Construction work

### **II.2.3) Place of performance**

NUTS codes

- UKL11 - Isle of Anglesey

Main site or place of performance

Gaerwen, Anglesey.

### **II.2.4) Description of the procurement**

Bangor University is currently finalising a business case to request funding from the North Wales Growth Deal to deliver Egni, a new low/zero carbon two-storey development on the M-SParc site in Gaerwen, Anglesey.

Egni will provide an estimated 1,000m<sup>2</sup> of new business incubation and research collaboration space (total building size of approximately 1,727m<sup>2</sup>) with complementary business development support. It will create additional offices, workshops and laboratories, training and circulation/reception space. The project will provide an additional 40 parking spaces to supplement the existing provision in addition to landscaping a proportion of the site adjacent to the new building. A sub-station is already present on site and will feed the new building. The drainage solution will be developed further in the next phase. The drainage proposal will require approval via SAB, and discharge of a reserved matters planning condition. Increased bio-diversity and landscaping will also be provided.

### **II.3) Estimated date of publication of contract notice**

5 August 2024

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

---

## **Section VI. Complementary information**

### **VI.3) Additional information**

#### Contractor Event

Bangor University, M-SParc and project partners would like to invite interested contractors to visit the site at M-SParc, Gaerwen to discuss the plans and the requirements of the tender process.

Contractors will be required to consider carbon reduction and biodiversity options as part of their tender submissions, as well as being asked to offer social value contributions to the project via a Themes, Outcomes and Measures framework. This event will be an opportunity to discuss these requirements.

Supporting documents are attached to this notice and via Bangor University's website under 'Events'.
