The Ted Wragg Multi Academy Trust is creating a Framework for their printing requirements and intends to appoint 3-5 suppliers to the Framework

At present, each of the individual schools within the Trust is responsible for the design and procurement of their individual printing requirements. As a Trust, we recognise that this is an inefficient approach to the procurement of printing materials, hence our intention to create this Printing Framework.

The Trust currently work with a small number of designers, our intention is to continue with this approach during the tender period for this Framework and for the foreseeable future. There will be printing requirements for the Autumn 2022 Term, the Trust's designer(s) are working on the designs, and these are expected to be available in line with the award of the Framework.
