Water

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Transport of Bio-Resources (South)

Reference number

SW22/S&W/1414

II.1.2) Main CPV code

- 90513700 - Sludge transport services

II.1.3) Type of contract

Services

II.1.4) Short description

Scottish Water is seeking to appoint a supplier to provide transport services for wastewater Bio Resource (sludge cake) from Scottish Water sites in the south of Scotland. The supplier will be required to supply suitable containers to meet individual site requirements, hold a Waste Carrier's Licence and conform to relevant legislation and codes of practice.

II.1.5) Estimated total value

Value excluding VAT: £15,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKM9 - Southern Scotland

Main site or place of performance

Southern Scotland

II.2.4) Description of the procurement

Scottish Water requires the transport of wastewater sludge cake from 9 Wastewater Treatment Works (WWTW) and 1 PFI (Private Finance Initiative) WWTW in the South of Scotland to various other nominated outlets throughout Scotland. All sludge cake requires to be transported in suitable containers. The supplier will be required to supply suitable containers to meet individual site requirements and remove on request within 24 hours conforming to all relevant legislation and codes of practice. Containers deemed suitable for transporting sludge cake should be closely covered on and off the vehicle to protect from weather ingress, improve odour control, and be constructed in such a way to prevent leaks.

All Waste Transfer Note documentation must be fully completed whilst carrying out transport activities so as to satisfy "Duty of Care" compliance. Auditable weigh cell information should be provided for 100% of loads uplifted from sites with no onsite weigh cells. This should be in the form of printed weigh tickets, or another acceptable form of auditable records.

The Supplier shall include for uplift, unloading and transportation of wastewater sludge from the named WWTW's, conforming to all relevant legislation and Codes of Practice relevant to road transportation and haulage.

The Supplier must comply, where applicable, with the WWTW's - Waste Management Licence, Odour Management Plan, and other site-specific associated processes and procedures as directed by Scottish Water and Saur Services Glasgow Limited for Dalmeir WWTW.

All prices include supply of documentation and data with respect to operation performance and relevant legislation codes of practice and other relevant standards.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £15,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

96

This contract is subject to renewal

Yes

Description of renewals

4 year initial period with 4 x 1 year extension options at the sole discretion of SW.

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged minimum number: 3

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The PQQ documents can also be accessed by logging in through the Scottish Water Delta e-sourcing webpage <https://scottishwater.delta-esourcing.com/> and through the Response Manager section using the following Access Code: 4F22RYKV6Q

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Minimum level(s) of standards possibly required

Applicants will be expected to be of sufficient financial and economic standing to support the anticipated contract value. All applicants must complete the financial questions within the pre-qualification questionnaire and tender documents. Financial standing relevant to the anticipated contract value will be determined by Scottish Water based on the response to the pre-qualification questionnaire and any further financial checks deemed necessary

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.6) Deposits and guarantees required

Scottish Water reserves the right to require deposits, guarantees, bonds or other forms of appropriate security

III.1.7) Main financing conditions and payment arrangements and/or reference to the relevant provisions governing them

All prices quoted shall be in Sterling (UK) and all payments shall be made in Sterling (UK). Payment shall be made on the basis of completed services in accordance with the agreed contract rates, schedules and conditions of contract

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

In the event of a group of companies submitting an accepted offer it will be necessary for each member of the group to sign an undertaking that each company in the group will be jointly and severally liable for the satisfactory performance of the contract

III.2) Conditions related to the contract

III.2.2) Contract performance conditions

Bidders must comply with modern slavery act and operate an ethical supply chain

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.3) Information about a framework agreement or a dynamic purchasing system

The procurement involves the establishment of a framework agreement

Framework agreement with a single operator

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

23 August 2022

Local time

12:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Scottish Water will not accept the SPD. We will only accept a completed Scottish Water PQQ document. This Notice does not preclude Scottish Water from issuing other notices for specific requirements. Responses to the FTS Notice will be evaluated and only successful applicants following PQQ evaluation will be invited to submit a tender. Applicants who fail to supply all of the information requested in response to this Notice or any resulting tender exercise may risk elimination
