Section I: Contracting authority

I.1) Name and addresses

Sellafield Limited

Calder Bridge

Seascale

CA201PG

Contact

Euan Burnard

Email

euaneburnard@sellafieldsites.com

Country

United Kingdom

Region code

UK - United Kingdom

National registration number

1002607

Internet address(es)

Main address

<https://www.gov.uk/government/organisations/sellafield-ltd>

Buyer's address

<https://www.gov.uk/government/organisations/sellafield-ltd>

I.3) Communication

Additional information can be obtained from the above-mentioned address

I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Other activity

Nuclear Decommissioning

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Decommissioning Nuclear Waste Partnership

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Sellafield is issuing this PIN 6 to:

- provide feedback to the market responses received on the lines of enquiry submitted for PIN 4;
- provide an update on Sellafield's proposed Lotting Strategy;
- provide a summary of Sellafield's proposed approach to collaboration under DNWP; and
- provide details of the planned DNWP Market Engagement Event.

II.1.5) Estimated total value

Value excluding VAT: £4,600,000,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 79415200 - Design consultancy services
- 45111200 - Site preparation and clearance work
- 45210000 - Building construction work
- 71320000 - Engineering design services

- 71322000 - Engineering design services for the construction of civil engineering works
- 45100000 - Site preparation work
- 79933000 - Design support services
- 45220000 - Engineering works and construction works
- 45222110 - Waste disposal site construction work
- 71530000 - Construction consultancy services
- 98391000 - Decommissioning services
- 71333000 - Mechanical engineering services
- 71321000 - Engineering design services for mechanical and electrical installations for buildings
- 45351000 - Mechanical engineering installation works
- 22314000 - Designs
- 45111000 - Demolition, site preparation and clearance work
- 79410000 - Business and management consultancy services
- 44421722 - Safety cases
- 79723000 - Waste analysis services

II.2.3) Place of performance

NUTS codes

- UKD11 - West Cumbria

Main site or place of performance

Sellafield Site

II.2.4) Description of the procurement

The DNWP will be the successor of the existing Decommissioning Delivery Partnership (DDP) which is due to end in March 2026. The DNWP multi partner framework has an estimate value of £3.8bn - £4.6bn over a 15 year duration. The scope for this procurement covers the full suite of construction, demolition related works, associated technical services (including safety case and design) and waste management required to deliver decommissioning tasks and projects. These works will be deployed across nuclear facilities on the Sellafield site that are in operations, post operation clean out (POCO),

decommissioning or demolition stages of the asset lifecycle.

Sellafield is issuing this PIN 6 to:

- provide feedback to the market responses received on the lines of enquiry submitted for PIN 4;
- provide an update on Sellafield's proposed Lotting Strategy;
- provide a summary of Sellafield's proposed approach to collaboration under DNWP; and
- provide details of the planned DNWP Market Engagement Event.

Following on from previous PINs issued in relation to the DNWP procurement (PIN 1 published 02/08/2022, PIN 2 published 02/09/2022, PIN 3 published 16/12/2022, PIN 4 published 24/03/2023 and supporting PIN 4 addendum published 12/04/2023) and PIN 5 (published 09/06/2023) the DNWP procurement is progressing through governance and Sellafield anticipates issuing a Contract Notice in summer 2023.

All previous PINs, and supporting information, are available on Sellafield's ATAMIS system (ATAMIS portal ref C13375).

Sellafield's proposed position may change as a result of market feedback and the ongoing development of the DNWP procurement documents. Organisations are invited to submit responses via Sellafield's ATAMIS system to the "Lines of Enquiry" set out in Appendix A.

Please submit responses via the ATAMIS portal ref C15035.

Please ensure responses are submitted no later than 16:00 on 20th July 2023, the "Response Deadline", please note no extensions will be given on this deadline, therefore any market responses received after this will not be considered.

Sellafield will consider responses to this PIN and any subsequent amendments to the procurement strategy will only be made entirely at Sellafield's discretion. The intent of receiving feedback to this PIN is to inform the procurement documents. Sellafield does not intend to distribute responses to the feedback to the lines of enquiry of this PIN through any further market engagement.

Sellafield is committed to open, fair, and transparent procurement processes and, following completion of market engagement activities, intends to conduct a regulated procurement process.

II.3) Estimated date of publication of contract notice

28 July 2023

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
