II.1.4) Short description

Gateshead Council, South Tyneside Council and Sunderland City Council have formed The South Tyne and Wear Waste Management Partnership to implement their waste management responsibilities jointly and are represented by Gateshead Council as the lead Authority. This contract is being led by Gateshead Council on behalf of Gateshead Council, South Tyneside Council and Sunderland Councils for the Provision and Operation of a Materials Recovery Facility/ies to include haulage and processing of Authorised Materials and Delivery Points for Gateshead and Sunderland to receive and process Authorised Materials.

The requirements of the contract are:-

Lot 1 - Gateshead

- The provision of a Materials Recovery Facility (MRF) to process and sort collected Materials.
- The provision of a suitable supporting Delivery Point(s) which will receive the Authorised Materials delivered by Gateshead Council and from which the Contractor will transfer the delivered Authorised Materials to the appropriate Processing Facility

- The transfer of the segregated Materials to suitable merchants or re-processors.
- The provision of a complete record of all Materials delivered, the interim processors/Outlets and the ultimate destination of each Material
- Monthly analysis of the Materials carried out in accordance with the MRF Code of Practice.

Lot 2 - Sunderland

- The provision of a Materials Recovery Facility (MRF) to process and sort collected Materials.
- The provision of a suitable supporting Delivery Point(s) which will receive the Authorised Materials delivered by Sunderland Council and from which the Contractor will transfer the delivered Authorised Materials to the appropriate Processing Facility
- The transfer of the segregated Materials to suitable merchants or re-processors.
- The provision of a complete record of all Materials delivered, the interim processors/Outlets and the ultimate destination of each Material
- Monthly analysis of the Materials carried out in accordance with the MRF Code of Practice.

Lot 3 - South Tyneside Council

- The provision of a Materials Recovery Facility (MRF) to process and sort collected Materials.
- South Tyneside will provide its own Recycling Transfer Station (delivery point) from which the Contractor will transfer the delivered Authorised Material to the appropriate processing Facility. (See further details in the introduction.)
- The transfer of the segregated Materials to suitable merchants or re-processors.
- The provision of a complete record of all Materials delivered, the interim processors/Outlets and the ultimate destination of each Material
- Monthly analysis of the Materials carried out in accordance with the MRF Code of Practice.

Tenderers may bid for one or all Lots.

The Service shall be provided for the Reception and Treatment of collected recyclable Materials from approximately 296,940 properties across the three Council areas (Gateshead 94,160 properties, South Tyneside 72,240 properties, Sunderland 130,540 properties).

The Materials will be collected and delivered using Refuse Collection Vehicles (split bodied compaction, conventional and non-compaction) and the recyclable Materials will consist of:

- Co-mingled materials in a wheeled bin
 - Glass bottles & jars
 - Plastic bottles, pots, tubs and trays
 - Cardboard
 - Aluminium foil
 - Mixed paper including news and PAMS
 - Food and drinks cartons e.g. Tetra-paks
 - Cans & Aerosols - ferrous and non-ferrous
- Newspaper & PAMS collected separately in a 40 ltr inner caddy

Fibre Collection Trial

In February 2019, Gateshead and South Tyneside introduced a trial to collect fibre (all paper and card) in a 240-litre wheeled bin on one collection day in each council area, whereby the inner caddy was replaced by the wheeled bin. The fibre bin and comingled bin are collected on a 4-weekly basis on alternate fortnights.

The Councils are retaining this collection system for these properties during this contract.
