Body governed by public law

I.5) Main activity

Health

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

NCIVAS manufacturing process proof of concept

Reference number

NSS222318

II.1.2) Main CPV code

- 73110000 - Research services

II.1.3) Type of contract

Services

II.1.4) Short description

The purpose of the proposed activity is to engage relevant sterile pharmaceutical manufacturing expertise to evaluate options to deliver the NCIVAS (National Central Intra-Venous Additives Service) proposal with appropriate focus on patient safety, process efficiency, and appropriate return on investment. The proposal is for desk-based research and consultancy only

II.1.6) Information about lots

This contract is divided into lots: No

II.1.7) Total value of the procurement (excluding VAT)

Value excluding VAT: £114,351

II.2) Description

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

To enable the progression of the programme NCIVAS (National Central Intra-Venous Additives Service) requires the services of experts in medicines manufacturing to identify viable technology to deliver the requirements of the NCIVAS product portfolio. CPI Innovation Services Limited (CPI) is an organisation which supports the development and commercialisation of novel pharmaceutical manufacturing technologies through its facilities at the Medicines Manufacturing Innovation Centre (MMIC). The MMIC is a unique partnership between Scottish Government, Scottish Enterprise and the private sector. It delivers world class leading experts in the very specific area of automation compound manufacturing consultancy.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 50

Price - Weighting: 50

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The NCIVAS programme believes that CPI Innovation, in partnership with the MMIC is the only provider in the market capable of delivering the requirement. The supplier is not aligned to any pharmaceutical company or technology and is able to provide impartial recommendations

Section IV. Procedure

IV.1) Description
