The service(s) is specifically for homeless families. Providers will work closely with the Homelessness team to provide suitable emergency/temporary accommodation for households assessed as homeless, or who are eligible for temporary accommodation while awaiting a homelessness decision under The Homelessness Reduction Act 2017.

The service will provide for a full property management service for temporary accommodation let to homeless families referred by the Council covering property acquisition, managing lettings processes, tenancy management including repairs and maintenance, property inspections, minimising void periods and clients moving-out of temporary accommodation.

The service(s) will be available to families where the main client is 18 years and over.

Suppliers will be required to offer services to and be sensitive to the needs of all clients with protected characteristics as covered by the Equality Act 2010.
