Regular customer and parental engagement (using digital platforms and social media) will be required to ensure this is the case moving into the contract term

These new standards of operation should meet the needs of the pupils moving forwards into this contract term. The current range of foods needs to be expanded along with the service provision. It is one of the objectives of this tender that the successful contractor will utilise a truly local supply chain and the farming” belt” in the North Somerset/BANES/Bristol area to source all fresh produce, namely being:

The terms and conditions of employment and recognition offered to the catering operatives should be both progressive and forward thinking ensuring that the staffing establishment is complete at all times and staff turnover is kept to a minimum

The Multi Academy Trust is expected to grow in the number of schools becoming part of the trust during this contract period, and the provision of catering services within these schools when they have joined the MAT will fall under the scope of this contract. The successful contractor will be expected to provide this service within these additional schools using the same costing model, ratios etc. that they applied to their successful tender submission for the Lighthouse Schools Partnership at the point of tender submission.
