solutions.

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Scape Regional Construction Framework

Reference number

SCP008

II.1.2) Main CPV code

- 45000000 - Construction work

II.1.3) Type of contract

Works

II.1.4) Short description

Scape Procure Ltd (Scape) wishes to establish a framework agreement for a 4-year duration. Experienced contractors are invited to apply for one (1) of four (4) regions to undertake construction works and services as defined by the NUTS and CPV codes. Each region contains two (2) parallel Lots. Applications are welcome from consortia, joint ventures etc. Such parties must form a single legal entity prior to contract award. A maximum of five (5) bidders will be invited to ITT stage for each of the four (4) regions. One (1) contractor shall be appointed to each lot. This Framework Agreement will be accessible for use by public sector bodies (their statutory successors), corporations established, or a group of individuals appointed to act together as defined by Part 1 of the Public contracts Regulation 2015 or cited by name in Schedule 1 to the Public Contracts Regulations 2015 and online at: <https://www.scape.co.uk/site-information/framework-usage-eligibility>

II.1.5) Estimated total value

Value excluding VAT: £750,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for maximum number of lots
2

Maximum number of lots that may be awarded to one tenderer: 1

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

N/A

Main site or place of performance

West Northamptonshire, Derby, North Northamptonshire, East Derbyshire, Leicestershire CC and Rutland, South and West Derbyshire, Staffordshire CC, Warwickshire, Leicestershire, Rutland and Northamptonshire, Leicester

II.2.4) Description of the procurement

The works and services will comprise all types of Construction works and services, including design and other services as required to design, develop and construct the works. The specific works and services that may be procured under the framework cannot be clearly defined at this stage, however the nature and types of works that may be required may include those services identified by CPV code on or in connection with any land or property and related asset owned, rented, leased or developed by any of the public sector bodies eligible to use the framework, or on property or related assets in which any of the public sector bodies may have an interest at the time or prospectively and may include projects in the following sectors amongst others: education, housing, blue light, health, offices, transport, military, industrial and commercial buildings and other public sector operational buildings and establishments. All contract performance will be monitored using a set of comprehensive performance indicators. Works and Services shall be delivered by the contractor and their supply chain. All works will be performed in accordance with the framework agreement and a delivery agreement executed in accordance with this agreement. Individual commissions called-off under the framework may be as little as 0 GBP up to 7,500,000 GBP. Bidders applying for this Lot are required to have a minimum annual turnover of 25,000,000 GBP.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 80

Cost criterion - Name: Price / Weighting: 20

II.2.6) Estimated value

Value excluding VAT: £150,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

Objective criteria for choosing the limited number of candidates:

Bidders may only complete one (1) PQQ. This is to be for the region they wish to apply for, and will then be considered for both lots within that region. The evaluation process will ensure only the top five (5) highest scoring compliant bidders in each region will be invited to respond to the ITT. One (1) contractor shall be appointed to each lot.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

Some call-offs from this framework may be subject to the requirements of European/UK funding, Therefore, the framework delivery partner will need to comply with the funding requirements.

II.2.4) Description of the procurement

The works and services will comprise all types of Construction works and services, including design and other services as required to design, develop and construct the works. The specific works and services that may be procured under the framework cannot be clearly defined at this stage, however the nature and types of works that may be required may include those services identified by CPV code on or in connection with any land or property and related asset owned, rented, leased or developed by any of the public sector bodies eligible to use the framework, or on property or related assets in which any of the public sector bodies may have an interest at the time or prospectively and may include projects in the following sectors amongst others: education, housing, blue light, health, offices, transport, military, industrial and commercial buildings and other

public sector operational buildings and establishments.

All contract performance will be monitored using a set of comprehensive performance indicators. Works and Services shall be delivered by the contractor and their supply chain. All works will be performed in accordance with the framework agreement and a delivery agreement executed in accordance with this agreement. Individual commissions called-off under the framework may be as little as 0 GBP up to 7,500,000 GBP.

Bidders applying for this Lot are required to have a minimum annual turnover of 25,000,000 GBP.

II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 80

Cost criterion - Name: Price / Weighting: 20

II.2.6) Estimated value

Value excluding VAT: £150,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

No

II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

Objective criteria for choosing the limited number of candidates:

Bidders may only complete one (1) PQQ. This is to be for the region they wish to apply for, and will then be considered for both lots within that region. The evaluation process will ensure only the top five (5) highest scoring compliant bidders in each region will be invited to respond to the ITT. One (1) contractor shall be appointed to each lot.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

Some call-offs from this framework may be subject to the requirements of European/UK funding, Therefore, the framework delivery partner will need to comply with the funding requirements.

II.2.14) Additional information

This opportunity is hosted on Delta eSourcing. If you are already registered you will not need to register again, simply use your existing username and password. Log in, go to Response manager, and add the access code for the lot you wish to apply for. If you are applying for Regional Construction Framework 2022 - Lots 3 & 4 North East then please use access code 4YXE7S2362
