# II.1.4) Short description

Scape Procure Ltd (Scape) wishes to establish a framework agreement for a 4-year duration. Experienced contractors are invited to apply for one (1) of four (4) regions to undertake construction works and services as defined by the NUTS and CPV codes. Each region contains two (2) parallel Lots. Applications are welcome from consortia, joint ventures etc. Such parties must form a single legal entity prior to contract award. A maximum of five (5) bidders will be invited to ITT stage for each of the four (4) regions. One (1) contractor shall be appointed to each lot. This Framework Agreement will be accessible for use by public sector bodies (their statutory successors), corporations established, or a group of individuals appointed to act together as defined by Part 1 of the Public contracts Regulation 2015 or cited by name in Schedule 1 to the Public Contracts Regulations 2015 and online at: <a href="https://www.scape.co.uk/site-information/framework-usage-eligibility">https://www.scape.co.uk/site-information/framework-usage-eligibility</a>

Main site or place of performance

West Northamptonshire, Derby, North Northamptonshire, East Derbyshire, Leicestershire CC and Rutland, South and West Derbyshire, Staffordshire CC, Warwickshire, Leicestershire, Rutland and Northamptonshire, Leicester

# II.2.4) Description of the procurement

The works and services will comprise all types of Construction works and services, including design and other services as required to design, develop and construct the works. The specific works and services that may be procured under the framework cannot be clearly defined at this stage, however the nature and types of works that may be required may include those services identified by CPV code on or in connection with any land or property and related asset owned, rented, leased or developed by any of the public sector bodies eligible to use the framework, or on property or related assets in which any of the public sector bodies may have an interest at the time or prospectively and may include projects in the following sectors amongst others: education, housing, blue light, health, offices, transport, military, industrial and commercial buildings and other public sector operational buildings and establishments. All contract performance will be monitored using a set of comprehensive performance indicators. Works and Services shall be delivered by the contractor and their supply chain. All works will be performed in accordance with the framework agreement and a delivery agreement executed in accordance with this agreement. Individual commissions called-off under the framework may be as little as 0 GBP up to 7,500,000 GBP. Bidders applying for this Lot are required to have a minimum annual turnover of 25,000,000 GBP.

#### II.2.5) Award criteria

Quality criterion - Name: Quality / Weighting: 80

Cost criterion - Name: Price / Weighting: 20

# II.2.6) Estimated value

Value excluding VAT: £150,000,000

#### II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

**Duration in months** 

48

This contract is subject to renewal

No

# II.2.9) Information about the limits on the number of candidates to be invited

Envisaged number of candidates: 5

Objective criteria for choosing the limited number of candidates:

Bidders may only complete one (1) PQQ. This is to be for the region they wish to apply for, and will then be considered for both lots within that region. The evaluation process will ensure only the top five (5) highest scoring compliant bidders in each region will be invited to respond to the ITT. One (1) contractor shall be appointed to each lot.

# II.2.10) Information about variants

Variants will be accepted: No

# II.2.11) Information about options

Options: No

# II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: Yes

Identification of the project

Some call-offs from this framework may be subject to the requirements of European/UK funding, Therefore, the framework delivery partner will need to comply with the funding requirements.

# II.2.14) Additional information

Main site or place of performance

Essex, Bedfordshire and Hertfordshire

# II.2.4) Description of the procurement

The works and services will comprise all types of Construction works and services, including design and other services as required to design, develop and construct the works. The specific works and services that may be procured under the framework cannot be clearly defined at this stage, however the nature and types of works that may be required may include those services identified by CPV code on or in connection with any land or property and related asset owned, rented, leased or developed by any of the public sector bodies eligible to use the framework, or on property or related assets in which any of the public sector bodies may have an interest at the time or prospectively and may include projects in the following sectors amongst others: education, housing, blue light, health, offices, transport, military, industrial and commercial buildings and other public sector operational buildings and establishments.

All contract performance will be monitored using a set of comprehensive performance indicators. Works and Services shall be delivered by the contractor and their supply chain. All works will be performed in accordance with the framework agreement and a delivery agreement executed in accordance with this agreement. Individual commissions called-off under the framework may be as little as 0 GBP up to 7,500,000 GBP.

Bidders applying for this Lot are required to have a minimum annual turnover of 10,000,000 GBP.

# VI.3) Additional information

The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement. The CPV codes stated are deemed to include, for the avoidance of doubt and unless otherwise stated, the category and subcategory codes below the CPV codes stated, i.e. 45 000 000, 'Construction Work' is deemed to include 45 200 000, 'Works for complete or part construction and civil engineering work' and 45 212 000 'Construction work for buildings relating to leisure, sports, culture, lodging and restaurants' etc.

This Framework Agreement will be accessible for use by public sector bodies (their statutory successors), corporations established, or a group of individuals appointed to act together as defined by Part 1 of the Public contracts Regulation 2015 or cited by name in Schedule 1 to the Public Contracts Regulations 2015 and online at: <a href="https://www.scape.co.uk/site-information/framework-usage-eligibility">https://www.scape.co.uk/site-information/framework-usage-eligibility</a>

Lots 1 and 2 do not include Rutland. This has been listed due to NUTS code limitations. Rutland is instead included in Lots 3 and 4.

Lots 3 and 4 do not include Leicestershire. This has been listed due to NUTS code limitations. Leicestershire is instead included in Lots 1 and 2.

Bidders may only complete one (1) PQQ. This is to be for the region they wish to apply for, and will then be considered for both lots within that region. The evaluation process will ensure only the top five (5) highest scoring compliant bidders in each region will be invited to respond to the ITT. One (1) contractor shall be appointed to each lot.
