VI.3) Additional information

The Common Services Agency (more commonly known as National Services Scotland) ('the Authority') acting through its division National Procurement, is undertaking this procurement of Breathing circuits, patient interfaces and associated consumables ('Products' 'services') as outlined further below on behalf of all entities constituted pursuant to the National Health Service (Scotland) Act 1978, (i.e. all NHS Scotland Health Boards, Special Health Boards and the Authority or other NHS Organisation established pursuant to the NHS (Scotland) Act 1978), any integrated Joint Boards established pursuant to the new Public Bodies (Joint Working) Scotland Act 2014 Partnership (collectively hereafter referred to as 'Participating Authorities').

NOTE: The buyer is using PCS-Tender to carry out this procurement process. Please note this is a separate website and if you are not already registered, registration will be required.

To access PCS-Tender, record your interest in this notice and access the tender documentation please visit

<https://www.publictendersscotland.publiccontractsscotland.gov.uk> and search for project Code 26857 under ITTs Open to All Suppliers. Please use the Search/Filter function, then select Project Code from the dropdown. Please note that once you have expressed interest in the ITT it will move to your My ITTs area.

The Contracting Authority does not intend to include a sub-contract clause in this contract.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 26857. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 26857. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

A sub-contract clause has been included in this contract. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2363>

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

A summary of the expected community benefits has been provided as follows:

Community benefits are included in this requirement. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2361>

A summary of the expected community benefits has been provided as follows:

It is a mandatory requirement that potential framework participants agree to support the concept, provision and ongoing development of

community benefits provision in relation to this framework. Potential framework participants are required to agree to this mandatory

requirement, provide a brief summary of the community benefits you already deliver in your business, where these are delivered and what

they have achieved in outcomes. Potential framework participants are required to summarise what community benefits you propose to

develop and deliver as part of this contract if successful. Community benefits potential framework participants are required to confirm that

if successful you agree to participate in and support a process of ongoing contract and supplier development in this area including the

tracking and reporting of community benefits delivered as part of this framework.
