Description

The Mining Remediation Authority is seeking a Supplier to provide a third-party digital resource contract to provide resources for the ongoing development and maintenance of the organisation's bespoke enterprise mining information systems and main data platform (Inferis) as well as supporting the wider digital needs of the organisation and development and implementation of emerging technologies.

Total value (estimated)

- £19,500,000 excluding VAT
- £23,400,000 including VAT

Above the relevant threshold

Contract dates (estimated)

- 14 February 2026 to 13 February 2031
- Possible extension to 13 February 2034
- 8 years

Description of possible extension:

The proposed contract term is an initial period of 5 years with an option to extend for up to an additional 3 years (2+1) giving a maximum contract length of 8 years. The extensions will allow the organisation to review any changes in the market, review contract performance to date and assess if the contract still offers best value for money including where possible benchmarking costs.

Procedure

Procedure type

Competitive flexible procedure

Competitive flexible procedure description

The procurement will follow the Competitive Flexible Procedure (CFP) in accordance with the Procurement Act 2023 and associated Procurement Regulations 2024. CFP was chosen for the opportunity to achieve a more effective, flexible, and value-driven procurement process.

The procurement will consist of three stages.

Stage 1: Shortlist up to five suppliers that pass Conditions of Participation and score highest on written responses to 4 scored technical quality questions.

Stage 2: Shortlist up to 3 suppliers that score highest on 4 scored technical quality questions, social value, sustainability and fraud questions with written response. Pricing does not have a weighting as Price evaluation will use Price per Quality Point.

Stage 3: Face to face presentation response to a case study work package scenario. Presentations will be held at our office, 200 Lichfield Lane, Berry Hill, Mansfield, Nottinghamshire, NR18 4RG.
