Reference number

GLA 82592

II.1.2) Main CPV code

- 90731400 - Air pollution monitoring or measurement services

II.1.3) Type of contract

Services

II.1.4) Short description

Transport for London (TfL) are procuring this contract on behalf of The Greater London Authority (GLA) who is procuring a service provider to maintain and operate the next phase of the Breathe London Network to maintain the GLA funded nodes in order to provide hyper-local air-quality monitoring across London. for four years starting in October 2024.

Monitoring air pollution is crucial to understanding the risk that toxic air has for us all. The Breathe London Network plays a crucial role in helping local communities, schools, hospitals and Londoners understand air pollution and take action to reduce their exposure. The continuation of the Breathe London Network will build on the successes of previous four years as well as to improve the network through continuing to engage and inform Londoners in the most effective ways.

This procurement is to be conducted in accordance with the Open Procedure, under Directive 2014/24/EU (public) on the award of public sector contracts, as implemented in the UK by the Public Contracts Regulations 2015 (PCR).

The procurement process is being conducted electronically on the e-Tendering portal SAP Ariba. The portal can be accessed via the following link:

VI.3) Additional information

The Contracting Authority expressly reserves the right

(i) not to award any contract as a result of the procurement process commenced by publication of this notice; and

(ii) to make whatever changes it may see fit to the content and structure of the tendering competition; and in no circumstances will the Contracting Authority be liable for any costs incurred by the candidates.

Transport for London (TfL) reserve the right not to consider expressions of interest received after the closing date/time or received by means other than the portal.

TfL reserves the right at any stage to reject or disqualify or revise the pre-qualified status of any Tenderer who:

1. Provides information or confirmations which later prove to be untrue or incorrect; and/or
2. Does not submit a tender in accordance with the requirements set out in the procurement documents or as directed by TfL during the procurement process; and/or
3. Fulfils any one or more of the criteria detailed in Regulation 57 of the Public Contracts Regulations 2015.

The procurement process is being conducted electronically on the e-Tendering portal SAP Ariba. The portal can be accessed via the following link:

VI.4) Procedures for review

VI.4.1) Review body

Transport for London

5 Endeavour Square

London

E20 1JN

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The Contracting Authority will observe a stand still period for a minimum of 10 calendar days from when the contract award notice is issued to bidders. That notice will provide full information on the award decision. The standstill period provides time for unsuccessful bidders to challenge the award decision before the contract is entered into.
