VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

Suffolk County Council incorporates a minimum 10 calendar day standstill period from the point at which information on the award of contract is communicated to the tenderers. This period allows unsuccessful tenderers to seek further debriefing from the contracting authority before the contract is entered into. If an appeal regarding the award of contract has not been successfully resolved: The Public Contracts Regulations 2015 as amended provide for aggrieved parties who have been harmed or at risk of harm by a breach of the rules, to take action in the High Court (England, Wales and Northern Ireland). Any such action must be brought promptly.
