II.1.4) Short description

Derry City and Strabane District Council invite suppliers to tender for a PeacePlus Skeoge United programme. The purpose of this tender is to deliver a community cohesion programme based in the Skeoge area of Ballynarett DEA. The area is a new, fast developing social housing neighbourhood with approximately 7000 residents by 2025. It is predominantly CNR/Single-identity, and the community has a wide range of complex and inter-connected problems (and opportunities), which have led to low levels of civic

participation. There are increasing resident concerns in relation to the lack of community development infrastructure and amenities, including the need for physical community space and youth facilities. This tender is designed to meet some of those expressed needs. The project will consist of the following 2 elements: 1. Capital: purchase a minibus and 3 pop up marquees. The minibus is essential to transport participants to and from the area, to ensure cross-community engagement between Ballyarnett and wider geographical areas. Given the lack of physical community space directly in the area, the provision of the minibus will also open up access to other wider venues which otherwise would not be accessible to residents due to cost and/or lack of access of other transport. Marquees are essential to provide venue options for shared space programming within the immediate area. 2. Programming: Variety of cross-community activities delivered mainly within the Skeoge/Ballynarett DEA area of Derry~Londonderry. Please refer to the CfT documents for further detail.
