The Environmental Monitoring System must be checked and calibrated on an annual basis to ensure accurate and traceable data is being captured and Pharmagraph are the only supplier who can communicate with the proprietary firmware that is run on the particle counters.

II.2.5) Award criteria

Price

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Environmental Monitoring System must be checked and calibrated on an annual basis to ensure accurate and traceable data is being captured and Pharmagraph are the only supplier who can communicate with the proprietary firmware that is run on the particle counters. In addition, the top-level software that performs the supervisory, management and data analysis functions can only be maintained by Pharmagraph. Therefore competition is absent for technical reasons.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes
