II.1.4) Short description

Bracknell Forest Council Public Health team currently commission Integrated Sexual and

Reproductive Health (ISH) services on behalf of the three Berkshire East councils (Bracknell Forest Council, Slough Council and Royal Borough of Windsor and Maidenhead).

While many sexual and reproductive health indicators for Berkshire East local authorities are performing comparatively well to national outcomes, there are some areas for improvement, including:

- Improving the chlamydia detection rate
- Reducing new syphilis and gonorrhoea infections
- Implementing HIV prevention strategies to:
 - o Reduce new HIV diagnosis
 - o Increase HIV testing
 - o Improve earlier detection of HIV and reduce late HIV diagnosis
- Increasing contraceptive offer
- Reducing under 25s abortions and repeat abortions
- Ensuring a more equitable access to sexual and reproductive services

What we are looking for

The provision of ISH services for Berkshire East which will include the provision of:

- An Integrated Sexual Health Service covering all 3 levels of sexual and reproductive health care (levels 1, 2, and 3).
- Online sexual health services offering access to emergency hormonal contraception, STI and HIV testing, with opportunities to include testing provision for under-18s, as well as condom distribution and PrEP management.
- Outreach services delivering targeted support for children and young people and

underserved population groups.

- Comprehensive sexual and reproductive health promotion, including a dedicated website offering detailed information and advice on sexual and reproductive health.

The service configuration will be tailored to meet the needs of each local authority area.
