#### **II.1.4) Short description**

In 2019, the board at Sutton Housing Partnership (SHP) took the decision to deliver repairs in house and took the first steps in April 2020 by ending the contract with its current provider, and setting up a repairs team to undertake reactive repairs services to residents.

SHP wishes to set up a Framework for Voids and Repairs (supply chain) across five LOTS to support the SHP repairs team, working in partnership to deliver excellent service to residents. There could be up to five contractors on each Lot.

This is an opportunity to work with the SHP repairs team, delivering mainly reactive repairs, voids and maintenance services to its tenants and leaseholders. This would include repairs to tenants' homes as well as to communal areas.

SHP are seeking contractors to support its delivery the following trades and works:

Drainage and plumbing- Lot 1

Electrical works, including electrical testing- Lot 2

Roofing including scaffolding- Lot 3

Voids- Lot 4

Asbestos surveys and removal - Lot 5

Successful contractors will be appointed to a framework for a period of four years, subject to satisfactory performance.

### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

Maximum number of lots that may be awarded to one tenderer: 5

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:
