Section VI. Complementary information

VI.3) Additional information

Horsham District Council has released this PIN for the dual purpose of giving advance notice to suppliers of the future intended tender and to approach the open market for assistance with building the Council's Tender Specification(s). The Council has prepared a Supplier Questionnaire to give suppliers the opportunity to help clarify several areas in the disposal of Commercial Waste & Recycling and to enquire on any new / best market practices that the Council should be aware of to ensure our Tender Specification allows the appointed Supplier(s) to provide a best value service. The Council is also providing opportunities to book a 45-minute session with the Tender Project Team to allow suppliers who complete the Supplier Questionnaire to explain their responses in an open discussion format (over Microsoft Teams). These 45-minute sessions will be held on Friday 12th August 2022. If you want to provide the Council with feedback on current, new and best practice recommendations in the provision of Commercial Waste & Recycling Disposal, please email procurement@horsham.gov.uk requesting a copy of the Supplier Questionnaire and return a completed version by email to the same address. Upon receipt of your completed Supplier Questionnaire, we will email back with an available time on Friday 12th August 2022 to hold the 45-minute engagement session. There is no deadline to send the Council your completed Supplier Questionnaire BUT if you want to participate in the Supplier Engagement Day you must email your completed Supplier Questionnaire to us by no later than 12:00 Thursday 11th August 2022. Neither failing to respond to this questionnaire will mean exclusion from any potential tendering opportunity going forward nor can the Council guarantee any inclusion in any potential tendering opportunity if you do respond to this Questionnaire.
