Scope

Description

Northumberland National Park Authority (NNPA) is currently inviting tenders for the provision of a hydrological restoration opportunity mapping study of the Landscape Recovery Area along Hadrian's Wall. Outputs will include a GIS based opportunity map and report with identified issues and interventions for increasing both the nature value and functioning of a wetland area.

Suppliers that would like to take part in this tender process are invited to "Express Interest" at <https://in-tendhost.co.uk/nnpa> upon which they will be given access to the full tender documentation delivery through this e-tendering system.

When the tender documents have been made available involved suppliers will receive notification via email and the tender documents can be accessed from the "My Tenders" area of the e-tendering website (<https://in-tendhost.co.uk/nnpa>) and selecting the "View Details" button of this project.

The deadline for submissions of the tender will be Noon on the 28th May 2025

Please allow sufficient time to make your return as late returns will not be permitted.

Any questions relating to this tender should be made via correspondence on the website
