- 79810000 - Printing services
- 79820000 - Services related to printing
- 80500000 - Training services
- 80510000 - Specialist training services
- 72224000 - Project management consultancy services

II.2.3) Place of performance

NUTS codes

- UKM - Scotland

II.2.4) Description of the procurement

As part of the development of a procurement strategy for an Electronic Vote Counting System (eCounting) for Scottish Local Government Elections in 2027 and Local Government by-elections up to 2032, the Scottish Government is seeking views and information from industry and the market place in connection with the areas set out in this Request for Information (RFI).

Information provided in response to this request will be used in the development of the procurement strategy. This includes the use of lotting for this requirement which will be determined before invitation to tender issue.

The proposed route to market will be a open procedure that will be published on PCS-T to provide an fair an open competition.

II.2.14) Additional information

Invitation to Tender documentation is due for issue via PCS-T early January 2025 with an estimated contract start date of End of October 2025.

II.3) Estimated date of publication of contract notice

13 January 2025

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)
